FRIDAY JUNE 12, 2009

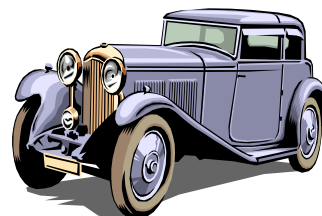

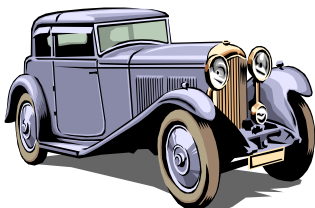

**AT THE CLIFTY FALLS STATE PARK
NORTH FIELD PARKING AREA**

FROM 4PM TO 8PM

Did you ever wonder when the park was created? Were you curious what the first visitors to the park may have looked like? Come join in the fun as we look at the vehicles from the 1920's and 1930'S and imagine what it must have been like to visit the park back then. Imagine making your trip to the park in one of these cars like you did in your car to get to the park today. Each one of these cars has a story to tell. Come enjoy them and see if you can relate.

ADD TO THE FUN... DRESS IN 20'S OR 30'S CLOTHING!
